

Over the past three fraternal years the Knights of Columbus, through this Assembly and the councils of District 57 have made cash donations valued at \$21,322 to several veterans and community organizations in the area including:

Bayshore Region VA Clinic programs in Cape Coral,
Hearts and Homes veterans program in Lee County,
Veterans Children's Christmas Program,
Veterans Chaplain Service,
Wreaths Across America,
Honor Flight, and
First Responders.

In addition to cash, items such as food, bus tickets, personal hygiene products, and wheel chairs were provided to those in need in our community through collections conducted by volunteer Knights, family, and friends.

As the Knights of Columbus Veterans Affairs Volunteer Service (VAVS) representative for the Southwest Florida area, on behalf of all the veterans whose needs you have served, I would like to thank you for all you have done and solicit your continued support.

Please feel free to call me to volunteer or to get more details about service opportunities.

Thank you,

Leon Quesnette
